THIS ACCOMMODATION LICENCE AGREEMENT together with the College’s Rules and Regulations create legally binding obligations between the College and the Student. Please read them and make sure you understand and agree to them before you sign the summary sheet and give to the Caretaker or Porters’ Lodge when you collect your keys. Non-signature does not remove you from its obligations. This licence agreement is governed by English law, which international students may find quite different to the law which applies in their country. You may wish to take advice before signing.

Your occupancy of a room is on the understanding that such occupancy is as a licensee, which gives you a contractual right to occupy the room, and not as a Tenant. As a Licensee, you have no legal interest in the property. You will be held responsible for the payment of fees for the whole period of this Licence. This is subject to the licensee remaining a student at the College, paying the fee, and complying with the terms of this Licence Agreement.

1.21 Not to keep any vehicle or vehicle parts in any part of College other than bicycles in the designated cycle bays; or mobility assistance vehicles and not to ride or drive any vehicle in College unless it is a mobility assistance vehicle. 3 Other Conditions
3.1 Any obligation on a party not to do something includes an obligation not to allow that thing to be done by a third party, and, when safe, an obligation to use best endeavours to prevent that thing being done by another person.

3.2 The Student is responsible for the conduct of any invited visitor(s), which must be of the same standard as that required of residents.

3.3 The Student hereby authorises the College to use his/her personal data for all lawful purposes in connection with this Licence Agreement (including debt recovery, crime prevention, the College’s insurance policy, allocating rooms or where there is a serious risk of harm to the Student or to others or to the College’s property) and all matters arising from the Student’s membership of the College and The University of Oxford.

3.4 The College’s liability for loss or damage to person or property is excluded unless the loss or damage is caused by the College’s negligence or breach of its obligations in this licence agreement and personal belongings left at the College are at the Student’s own risk.

3.5 College accommodation is available in term time to undergraduate students. On a discretionary basis the College may agree to periods of Vacation Residence. The College will communicate any opportunity to apply for Vacation Residence to undergraduates holding a termly licence, without any obligation to provide such accommodation, and it will be agreed only for the purposes set out in the College regulations. Graduate students and undergraduate students in courses with extended terms have continuous licences which include periods during some vacations. Any student failing to vacate their Accommodation at the time specified in their Licence, and who has not been granted Vacation Residence, will be charged the standard commercial bed and breakfast rate and may also be subject to disciplinary proceedings. Lost key replacement, including the non-return of keys or fobs to the Lodge upon departure, will be charged at £40.00.

3.6 If a student requests and is granted permission to stay in college accommodation during the Christmas closure no staff will be available. In this instance the students must take their rubbish to the outside bins, and must keep self-catering kitchens clean and tidy.

3.7 The College is not liable to repair any damage caused by the Student unless the cost is met by the Student. This clause shall not apply where the College has an overriding statutory obligation to make the College safe.

3.8 The College may temporarily suspend use of any shared facilities or kitchens that have been permitted to be used; this may be for any reason but in particular if they are not kept in a clean and tidy condition by the students using them.

3.9 This licence agreement does not affect the disciplinary powers of the College.

3.10 The College is entitled, at the Student’s expense, to remove from the Accommodation or the Common Parts any article which constitutes an obstruction, an annoyance to other residents, or a fire or health or safety risk but (unless perishable) will, if requested, return it to the Student on the termination of this licence agreement and may make a reasonable charge for its storage.

3.11 Notices under this licence agreement must be in writing (which includes email) and the College’s address for service is given on the first page of this licence agreement.
3.12 This licence agreement does not convey any rights to any third party to enforce the terms of the agreement.

3.13 The Colleges Liabilities relating to the accommodation licence are limited to those which result from negligence on the part of the College. The College accepts no liability for damages or injury to the student or third parties pursuant to the exercise of the rights this licence conveys to the student.

3.14 This licence agreement and the policies referred to in it contain all the terms agreed to by the College and the Student at the time it comes into effect and any variation to the terms will only be effective if agreed between the Student and the College’s Domestic Bursar. The College will confirm any agreed variation to the Student in writing at the time the variation is made.

4 Termination of this Licence agreement

4.1 Unless the Student has made arrangements with the College for late arrival this licence agreement will automatically terminate if the Student has not taken up residence by Tuesday of 1st week but the Student will be liable for the Charge unless waived at the discretion of the Domestic Bursar.

4.2 The College may terminate this licence agreement at any time by serving notice on the Student if:
   (a) Any payment is overdue by 21 days or more, or
   (b) The Student is in serious or persistent breach of any of the Student’s obligations, or
   (c) The Student does not have status as a member of the College or of the University of Oxford (suspended or barred from the College or University), or
   (d) In the reasonable opinion of the College the health or behaviour of the Student constitutes a serious risk to him/herself or others or the College's or other people’s property.

4.3 The License is for a full academic year, and the student will be liable for the full year’s charges unless the Student receives the permission of the Dean and the Domestic Bursar to terminate the agreement (which might be given in extreme cases, as in serious illness for example).

4.4 The College reserves the right to relocate the Student to comparable alternative accommodation during the Period of Residence where it is reasonable to do so. Unless the reason for relocation is because the Student is in breach of one or more of their obligations in this licence agreement, the Student will have the right to terminate this licence agreement (without having to comply with the conditions in clause 4.3) as an alternative to relocating.

4.5 The College’s acceptance of the keys at any time shall not in itself be effective to terminate this licence agreement while any part of the Licence Period remains unexpired.

4.6 If a provision of this agreement (or part of any provision) is found illegal, invalid or unenforceable, the provision or part-provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.
5  Addendum for occupants of Venneit Close accommodation

5.1 The accommodation provided at Venneit Close is that of individual flats which are rented by the College for occupation by students of The Queen's College or any other occupant the College invites to occupy this accommodation. The College holds the headlease and the flats are considered part of the College accommodation provision and this Licence Agreement and all its parts are relevant to the flats at Venneit Close. Occupants should treat this accommodation entirely as they would a College owned property, in keeping with the terms of the agreement.

5.2 The students in occupation are the Permitted Occupier(s) referred to in the contract the College holds with the Landlord (or agent).

5.3 The College (the Tenant) must supply names of each Permitted Occupier to the Landlord (the agent). Students are not permitted to move between flats (swap) and must reside at the accommodation they have been assigned, (refer to 16.1 of the main Licence Agreement).

5.4 Students residing together in a flat will be jointly responsible for common parts and the contents. The inventory is for the entire flat and the obligations of paragraph 1.2, 1.3 and 1.4 will apply to all the occupants jointly. This includes damage or loss to common parts and means that all occupants are liable for all sums due under the agreement not just the proportionate part.

5.5 Any charges for services or call-out charges for which a trade is called to rectify a fault will be charged on to the Permitted Occupier (student/s) if it has been established that no fault had existed.

5.6 Permitted Occupiers must not do anything to or on the property that:

   (a) causes a nuisance, annoyance or damage to occupiers of neighbouring, adjoining or adjacent property, or the owners or occupiers of them (see also point 1.20 above);
   (b) involves using the property for immoral or illegal purposes; or
   (c) has the effect of invalidating the insurance that the Landlord has taken out.

5.7 Bicycles must be stored in suitable locations that do not cause a hazard to others. Where dedicated bicycle racks are provided only these areas should be used for bicycle storage. The agent will make periodic inspections and apparently abandoned bicycles will be removed. Tags will be available for Permitted Occupiers to attach to bicycles that should not be removed. Any bicycle that is not tagged will be removed without further notice and neither the College, Landlord nor the Property Manager shall be responsible for any consequential losses.

5.8 Permitted Occupiers shall ensure that rubbish/refuse is placed in the appropriate containers provided outside the flat. If rubbish is found belonging to a student in the incorrect bin then a charge will be made to remove the rubbish and deposit it in the correct manner. The College will pay a charge including VAT to the agent, and these charges in addition to any fines that may be imposed, will be charged to the Permitted Occupier/s (student).

5.9 Wifi and telephone lines (without telephone handsets) have been installed in the flats. No occupant shall set up a telephone handset to the line, and should this occur all
occupants will be jointly liable for charges, see also 1.21 of the main Licence Agreement, above.

5.10 The Landlord reserves the right for the Landlord, or any person acting on behalf of the Landlord, to enter the Property on giving at least 24 hours' prior notice in writing to the Tenant. If the Tenant, or Permitted Occupier/s is/are unable to be present at the necessary time, the keys that the Landlord or Property Manager holds will be used.
