CONSTITUTION OF THE ADDISON SOCIETY

The Queen’s College

The Addison Society brings together members of The Queen’s College to dine together in the company of a guest speaker. The Addison Society, like other dining societies at Queen’s, therefore seeks to provide a fine meal and the experience of formal dining; above all, however, its purpose is to seek out the most interesting and intellectually stimulating guest speakers, so that the minds of its members may be stimulated as their stomachs are filled.

The Addison Society has a long - if sporadic - history, though has only existed in its current non-exclusive form following a recent resurrection and revision. Considering this, the second central purpose of the Addison Society is to remain as inclusive as is possible, and to extend its newfound inclusivity.

The Addison Society is proud to stand as an example of a rehabilitated dining society that has overcome its inherited institutional flaws; and has, moreover, become in the process a society with a richer and more prominent life in the College than ever before.

Committee 2018/19 Academic Year:

President: Elizabeth Whitney
Vice-President: Sam Appleton
Treasurer: Jessica Martin

I) Terms of Membership

1. The full members of the Addison Society are the committee (President, Vice-President, Treasurer and Senior Member). A single term of membership will be for the duration of one academic year.

2. Addison Society members shall ensure the Society fulfils its purpose of organising speaker dinners and extending invitation to any members of the Junior Common Room willing to pay for the cost of attendance.

II) Processes for the Selection of Diners

1. Attendance at an Addison Society event is open to any student in the Junior Common Room who wishes to apply for it.
2. As places on a Society dinner are limited by space, places will be allocated by a fair and equal procedure in the frequent event of demand exceeding supply. This procedure will be repeated for each event.

3. The recommended method is to allocate a certain number of places using a random ballot, and the remainder of the places using a first-come-first-served queuing system at a given time and place.

4. The number of places allocated by each method is at the discretion of the President on a dinner-by-dinner basis.

5. The Addison Society has traditionally been reserved for the Junior Common Room, but invitation can also be extended to members of the Middle Common Room at the President's discretion.

6. If there is a situation in which it may be deemed appropriate to deviate from a random allocation method by introducing some form of differentiation, the criteria must be transparent and objective as far as is possible. This is to be reserved for exceptional circumstances and requires the unanimous approval of the committee. Examples of when this may or may not be appropriate are suggested below:
   a. It is good practice to preference applicants who were unsuccessful on the previous ballot. This is in the spirit of inclusivity.
   b. The committee may deem it appropriate to reserve a certain number of ballot places for Freshers for the first event of the academic year, to encourage their early involvement in the Society.
   c. If the format of a speaker event differs from the usual speech followed by questions (for example, if it will consist only of questions) it may be deemed appropriate to allocate a number of places to the applicants who suggest the most interesting and wide-ranging questions for the speaker. In all such cases, unanimous committee approval must follow from careful consideration.
   d. Applicants for places may have special reasons why they wish to attend or find a speaker especially relevant to them. Before treating these applicants as special cases, the President should bear in mind the opportunity offered by the queuing system to the especially keen.

7. Students are not restricted in the number of Addison Society events they may apply for over the course of an academic year.

III) Procedures for the Election of Committee Members

1. The committee will consist at a minimum of a President and a Senior Member. The additional roles of Vice-President and Treasurer are advisable, but should these roles not be appointed their duties may be assumed by the President. Any member of College may apply for a position within the committee.

2. As the Addison Society does not have a continuous or consistent membership, the
student committee positions are better appointed through interview with a panel (in the manner of the Non-Executive Officers of the JCR) rather than by democratic vote involving everyone who has attended an Addison Society event.

3. The interviewing panel must include at least the current student committee members. Additional persons may be added at the discretion of the current committee if deemed appropriate (for example, previous incumbents of committee roles still at the College, or the Senior Member).

4. The interviewing panel will strive to reach agreement amongst themselves in the appointment of the committee. If this ultimately cannot be reached, the President may make an executive decision.

5. There will always be elements of subjectivity in decisions of interviewing panels such as these; but in the interests of fairness it must be possible to clearly and publicly justify the reason why one candidate was successful over another.
   a. The interviewing panel will consider factors including, but not confined to, the candidate’s awareness of the purpose of the society, their commitment to its inclusivity, ideas for future speakers, their aptitude for the organisational and promotional requirements of the role, and ideas for the future of the society.

6. The interviewing panel reserves the right not to appoint a Vice-President or Treasurer should a desirable candidate not be forthcoming.

IV) Procedures for Accounting for Income and Expenditure

1. The Addison Society is a non-profit organisation, and currently does not receive any subvention from Governing Body. Its account is primarily to be used to refund the travel expenses of speakers and meet the cost of their accommodation in College.
   a. The Society does not pay a fee to speakers.
   b. The cost of the speaker’s meal is to be divided amongst attendees rather than met out of the Society’s account.

2. Additional expenses should only be incurred where this enriches or expands the activities of the Society, or to improve access to the Society to as many members as possible. In all cases, use of the Society’s account for additional expenses must be presented to the Senior Member and approved by him/her.
   a. Such an instance may include, for example, the awarding of a certain number of discounted Hardship places to students receiving financial assistance from the College.

3. The Treasurer will assume primary responsibility in accounting for income and expenditure and will report at least once in the academic year to the Senior Member. If the position of Treasurer is not filled, these duties will be assumed by the President and/or Vice-President.
V) Compliance

1. The Society shall be administered in accordance with the College’s Regulations.

2. The activities of the Society will always be conducted in accordance with the College procedures, codes of practice and policies in force, including, but not limited to equality, harassment, freedom of speech and safeguarding.

3. The Society shall register with the Decanal Team at the beginning of each academic year.

4. The Society shall be supported by a member of The Queen’s College SCR. The supporting SCR member (‘Senior Member’) for 2018/19 is Dr John Davis. When electing other members of the Committee each year, the members of the Society shall also appoint a member of the SCR as the supporting SCR member, and they will then be a member of the Committee ex officio.
Constitution of the Eglesfield Musical Society

The Eglesfield Musical Society was founded in 1842 by William Thomson as a choral and orchestral Society presenting regular concerts in the University of Oxford. Based at The Queen’s College, the Society continues to promote a regular recital series, concerts, jazz nights and many other special events such as a musical every Trinity, all of which involve performers from across the University. It maintains an orchestra, chorus, a cappella group and jazz band, all of which are student-led and student-conducted. The Club’s concerts – including the Saturday lunchtime recital series and evening concerts by the orchestra and/or chorus and by other University groups – are open to all members of the University and to the public.

This copy of the Constitution is valid of 26/02/2018 and further versions should indicate the date of alteration.

The day-to-day running of the Club is the responsibility of the Committee, which meets regularly during term-time.

Section 1: Aims

1. The aim of the Eglesfield Musical Society (hereinafter called ‘the Club’) shall be to encourage and promote the enjoyment and performance of music both in The Queen’s College and within the University as a whole for the benefit of members of the University and public.

2. All members of the Club are equal under the Constitution. Members have rights to freedom of association, correspondence, movement, expression, speech, and worship without prejudice due to disability, gender, race, religion or sexual orientation by other members.

Section 2: Compliance

1. The Club shall be administered in accordance with the University’s Regulations for the Activities and Conduct of Student Members and The Queen’s College’s Regulations.

2. No member of the Club shall participate in any activity overseas organised by the Club, whether during term time or vacation, unless the plans for such activity have been notified at least one calendar month in advance of the date of departure from the United Kingdom to the University Marshal. Each member participating in such activities overseas shall observe any conditions imposed by the Proctors on the recommendation of the University Marshal, e.g. relating to the deposit of contact addresses, fulfilment of health, safety and insurance requirements, and stipulation of Senior Members to accompany the trip.

3. The activities of the Club will at all times be conducted in accordance with the following university procedures, policies and codes of practice in force from time to time, on equality, harassment, freedom of speech and safeguarding.

4. The Club shall maintain a dedicated website and shall supply details of its web address to the Proctors for listing on the University’s clubs and societies webpage. Where relevant facilities are allocated by Oxford University IT Services it is the responsibility of the Club:
4.1 to designate a member of the Club entitled to a University email account (as defined by Oxford University IT Services) to act as its IT Officer, whose duties shall include liaising with Oxford University IT Services about the use of facilities allocated and passing on to his or her successor in office all records relating to the use of the facilities allocated;

4.2 to designate one of its members (who may be, but need not necessarily be, the same as its IT Officer) or, exceptionally, a member of Congregation to act as its principal Webmaster, whose duties shall include maintaining an awareness of the University guidelines on web information and coordinating and regulating access to the web facilities used by the Club;

4.3 to comply with regulations and guidelines relating to the use of IT facilities published by Oxford University IT Services;

4.4 to ensure that everyone responsible under (i)-(iii) is competent to deal with the requirements, where necessary undertaking training under the guidance of IT Services.

Section 3: Membership

1. All student members of the University, and all persons whose names are on the University’s Register of Visiting Students, shall be eligible to become members of the Club. A member shall continue to be eligible until he or she is given permission to supplicate for his or her degree, diploma, or certificate, regardless of whether or not he or she continues to be liable to pay fees to the University.

2. The Committee may also, at its discretion, admit to membership:

2.1 Students registered to read for diplomas and certificates in the University;

2.2 Student members of Permanent Private Halls who are not student members of the University;

2.3 Members of Ruskin College, and Ripon College, Cuddesdon;

2.4 Members of Oxford Brookes University provided that such members shall not constitute more than 20% of the total membership;

2.5 Other persons not falling within Section 3(1) or Section 3 (2.1-2.5), provided that such members shall not constitute more than 20% of the total membership.

3. The Secretary shall maintain a register of members, and shall make this register available for inspection by the Proctors on request.

4. The Committee, having consulted with the Senior Member in relation to the relevant matter, may remove a person from membership if removal of such person from membership is deemed to be in the best interests of the Club. The person concerned may appeal against such removal to the Proctors.

Section 4: The Committee

1. The Club shall be administered by a Committee, consisting of not more than eight persons (as defined in Section 5 (1)) which shall have ultimate responsibility for the activities of the Club.

2. The Committee shall have the power to co-opt additional members.

3. Newly elected Committee members will assume office on the Sunday of 9th week of the Trinity Term following their election and will serve until that day the following year.

4. The Secretary will notify the Proctors by the end of the second week of each Full Term the names of the members of the Committee.
Section 5: Officers

1. The Principal Officers of the Club shall be the President, Vice President, Secretary, Senior Member, and Treasurer. Other than that of Senior Member (who shall be a member of Congregation), these positions shall be filled by student members of the University.

2. Other Committee officers shall include the Recitals and Concerts Manager, the Publicity Officer and the Webmaster. These positions shall be filled by student members of the University.

3. The JCR Arts Representative, and the directors of the Club’s ensembles shall *ex officio* be entitled to attend, and vote at, committee meetings.

4. The committee shall appoint a 1st Year Representative and MCR Representative, both of whom will be entitled to attend, and vote at, committee meetings.

5. Any member of the Committee may resign from office or the Committee by giving written notice to the President. The President may resign by giving such notice to the Secretary. If the President resigns, the Secretary (or if they decline, the Treasurer) shall be invited to act as temporary President, until a new President is elected by the Committee.

6. Any person who ceases to be a member of the University shall cease to be a Committee member.

7. If three or more members of the Committee, one of whom must be a Principal Officer, believe that another member of the Committee is not fulfilling their role satisfactorily, they must present their reasons and any evidence to the most senior Principal Officer of the Committee who is not the accused. This officer must then organise an anonymous vote excluding the accused on whether to ask the latter to step down from their position. The accused shall have the opportunity to present a defending statement to the rest of the Committee, after which all members of the Committee except the accused shall vote anonymously on whether to remove them from their post. Three quarters of the voters must vote in favour of removal in order for the vote to pass.

8. If during the period between the annual elections to offices any vacancies occur amongst the Officers of the Club, the Committee shall have the power to fill the vacancy or vacancies up to the next Annual General Meeting by co-opting.

9. The Secretary will notify the Proctors immediately of any changes in holders of the offices of President, Senior Member, Secretary, and Treasurer.

10. Each Officer must, on relinquishing office, promptly hand to their successor in office (or to another member of the Club nominated by the Committee) all relevant official documents and records belonging to the Club.

Section 6: Meetings

1.1 The Committee shall meet as often as it may deem necessary, but at least twice during each full term.

1.2 The quorum for a Committee meeting shall be four, of whom one must be the President, Vice President, Secretary, Senior Member, or Treasurer.
1.3 The President shall publish an agenda in anticipation of each Committee meeting. The first agenda of each term should include agreement of the current or forthcoming term’s major concert(s), the Treasurer’s report, and agreement of any future major items of expenditure.

1.4 Committee meetings may be called by the President of the Club, and shall be chaired by the most senior principal officer from the junior members of the College present.

1.5 All members of the Committee shall have one vote at Committee meetings, except in the case of an even split vote, in which case the chairperson shall have an additional casting vote.

1.6 Final decisions shall be made by a simple majority vote, in the event that no consensus can be reached.

1.7 Any Principal Officer may invite all members of the Club to any committee meeting, except in the case that confidential information (as decided upon by the chairperson) is being discussed.

1.8 Reports will be received from outgoing Principal Officers in the final Committee meeting of the year, including those concerning finances of the Club.

2. There shall be an Annual General Meeting for all the members of the Club each Hilary Term, convened by the Secretary or the chairperson at least fourteen days before the date of the meeting. Minutes of all Annual General Meetings shall be kept by the Secretary. Both the minutes book and accounts shall be available for inspection by any member at the Annual General Meeting.

2.1 All members of the Club are eligible to attend the Annual General Meeting, and non-members may attend with the permission of the chairperson.

2.2 The Annual General Meeting will:
   2.2.1 Consider any constitutional amendments raised by any member of the Committee, in accordance with the procedure for doing so set out in section 10(1);
   2.2.2 Elect members of the Committee in accordance with the regulations for such election;
   2.2.3 Consider any motions of which due notice has been given, and any other relevant business.

3 An Extraordinary General Meeting may be called in any full term by any Principal Officer, on not less than seven days’ notice; or on a written requisition by seven or more members, stating the reason for which the meeting is to be called, and delivered to the Secretary not less than fourteen days before the date of the Meeting.

4 Prior to all General Meetings notice of the agenda shall be sent out with the notice of the Meeting.

5 The quorum for a General Meeting shall be ten members present in person or by proxy, of whom three must be members of the Committee. When any financial business is to be transacted there must be present the Treasurer, or a member of the Committee deputed by the Treasurer to represent his or her views to the Meeting (provided that where it is a case of a deputy, the only financial business transacted shall be that which was set out in the agenda accompanying the notice of the meeting).

6 Every matter, except where this Constitution provides otherwise, shall be determined by a majority of members present and voting. In the case of equal votes the President of the Club shall have the casting vote.

7 Minutes of all meetings shall be kept and formally adopted. Copies of the Minutes shall be made available to members and, upon request, to the Proctors.

Section 7: Finances
1. No member of the Committee shall receive payment - either direct or indirect - from the Club for his or her services in their capacity as a member of the Committee or officer of the Club.

2. Members who have incurred expenses in the authorised service of the Club are eligible for reimbursement.

3. Items of expenditure above £50 must be authorised by the Committee with a simple majority vote. After the Committee has approved such an item, reasonable minor expenses as a result of this expenditure shall be deemed authorised without individual consideration by the Committee.

4. The Committee may change the signatories for any of the Club’s bank accounts, decided through a standard Committee motion.

1.3 call and chair Committee meetings;
1.4 publish an agenda to all members of the Committee in anticipation of each Committee meeting, and to all members of the Club in anticipation of each General meeting;

The Constitution of The Queen’s College
Association Football Club

We the people of The Queen’s College, in order to form a more perfect football club, establish justice, insure domestic tranquility, provide for the beating of Teddy Hall, promote the general welfare of our players, and secure the blessings of Cuppers to ourselves and our posterity, do ordain and establish this Constitution for The Queen’s College Association Football Club.

1) Name
- The name of the Club is The Queen’s Association Football Club, hereafter referred to as QCAFC or ‘the Club’. This name encompasses the men’s 1<sup>st</sup> XI, 2<sup>nd</sup> XI and 3<sup>rd</sup> XI (The Animals) teams, as well as the women’s team (QCWAFC).

2) Affiliation and Competitions
- QCAFC is affiliated to Oxford University Association Football Club (hereafter OUAFC). It shall be bound by the rules of OUAFC.
- All competitions are run by OUAFC according to the rules specified in their Constitution and take place in Michaelmas and Hillary Terms (unless otherwise stipulated).
- The 1<sup>st</sup> XI competes in the JCR Leagues and JCR Cuppers Competition.
- The 2<sup>nd</sup> and 3<sup>rd</sup> Teams compete in the JCR Reserve Leagues and Reserve Cuppers Competition.
- QCWAFC compete in the Women’s League and Women’s Cuppers.
- QCAFC will also provide teams for 5-a-side Cuppers in Trinity Term.

3) Membership
- Membership of QCAFC is open to all members of The Queen’s College. Female players are able to represent the men’s teams; in addition, all female members of the College are able to play for QCAFC.
- In accordance with OUAFC rules, male members are not allowed to play for QCWAFC.
- QCAFC is proud to welcome members from Wycliffe Hall, due to its unofficial but long-standing sporting affiliation with the College.
- Membership is to the Club, and not to the specific team for which a member plays.
4) Aims of QCAFC

- To enable all members of The Queen’s College to play football whilst at the University of Oxford.

- To encourage as many members of the College as possible to participate in football (and sport) at Queen’s.

- To organise league and Cuppers fixtures every year for all four sides.

- Most importantly, however, it is our aim to play the beautiful game in a beautiful way.

5) Committee

- The role of the committee is to manage all aspects of the Club’s administration.

- QCAFC has a committee that consists of the following:

  - 1st XI Captain - Arranges league and cup fixtures for the 1st XI, selects and captains the side.

  - 2nd XI Captain - Arranges league and cup fixtures for the 2nd XI, selects and captains the side.

  - 3rd XI Captain - Arranges league and cup fixtures for the 3rd XI, selects and captains the side.

  - QCWAFC Captain - Arranges league and cup fixtures for the Women’s team, selects and captains the side.

  - Social Secretary - Organises social events for the Club, including the Annual Tour, and organises elections with the President.

  - Treasurer - Controls QCAFC’s finances, namely the Queen’s College Amalgamated Sports Clubs Committee Grant.

  - President - Head of the Committee, organises elections with the Social Secretary and is in charge of kit orders and sponsorship deals. The President is also entrusted with updating and protecting the QCAFC Constitution

  - Senior Member - Dr Martin Edwards, as head of The Queen’s College Amalgamated Sports Clubs Committee, is QCAFC’s Senior Member in College.

- The Club President has the power to propose the creation of new positions on the Committee. The Committee then votes upon this proposal with a unanimous decision required for the new position to be created.
- The 1st XI and QCWAFC captains represent QCAFC in The Queen’s College Amalgamated Sports Clubs Committee. If they are not available, they may ask another member of the Committee to go in their place.

- The Committee is responsible for updating and maintaining QCAFC social media presence on Twitter and Facebook, but the Social Secretary is in charge of the wider social media policy.

- All Committee positions are elected and the elections take place at the beginning of Hillary Term:
  - Men’s elections are organised by the Club President and Social Secretary. All members are able to nominate candidates for any position, apart from the captains. Members may only nominate candidates for the captaincy for any side that they have played for that season. The three members with the highest number of nominations for each position are then put forward for election. The members of QCAFC must then vote in person, via secret ballot, at a specific time and date as decided by the current President and Social Secretary. Members may only vote for the captaincy of teams they have played for that season. If members are not able to vote in person they may send their vote via email to the President in the same timeframe, as voting-in-person is open. The President and Social Secretary will then count the votes and the winners of the vote will for the Committee for the next season.

  - QCWAFC elections are organised by the QCWAFC Captain. All members wishing to stand for the captaincy are required to find a seconder to propose them; once the list of members who are running is finalised, it is released electronically to anyone that has played for QCWAFC in that season. Voting is only valid during a specified timeframe (to be decided by the QWCAFC Captain at the time). The winner of the election becomes Captain, and the runner-up of the election become QCWAFC Vice Captain.

  - If there is a tie in any election, the Club President will have the casting vote, but they are entitled to also order nominations be opened again and another election be held.

- The new Committee shall be announced at the annual QCAFC Formal Dinner in Hillary Term.

- If the members of the Club are not satisfied with the committee, they are able to propose a Vote of No Confidence in certain committee members or the committee as a whole.

- For a Vote of No Confidence to be valid, the signatures of at least 15 playing members of the Club are required. If this were to happen, the roles of the committee members in question would be reviewed, and, if necessary, they would be replaced through an emergency election.

6) Finance
- The Queen’s College Amalgamated Sports Clubs Committee manages QCAFC’s finances by paying the Club a grant every year to cover expenditure, and by paying for pitch and groundsman costs at the Queen’s Sports ground (Fortress Riverside).

- The Treasurer is responsible for the administration of the grant’s funds and controls the team accounts, as well as those of QCWAFC.

- 1st XI Captains are required by OUAFC to pay referee fees and therefore are added to the account as a signatory.

7) Team selection

- The 1st XI Captain and 2nd XI Captains are able (and expected) to use ability as the primary criterion for team selection. Other criteria might include: suitability (to conditions or the opposition) and attitude.

- Inclusion is the primary criterion for the 3rd XI Captain. The Animals accept players of any and ability and footballing experience.

8) Club Colours

3.9g
If sponsorship is secured the secretary, or sponsorship officer if one is co-opted, shall be responsible for:
- ensuring that the terms of the sponsorship contract are met, in conjunction with the President
- inviting the sponsors to boat club events with prior permission of the President
- building long term links with the sponsor.

3.10
The Treasurer

3.10a
The Treasurer shall ensure that the Boat Club is kept financially solvent, and maintain the accounts to record all transactions in full. The Treasurer is directly responsible to the President and should only authorise expenditure by other members of the Committee if it is felt that such expenditure is necessary, after consultation with the President, for the smooth and successful running of the Boat Club.
The Treasurer is responsible for ensuring the collection of subscriptions and monies owed to the Club, both from members and others.

3.10c

The Treasurer is responsible for ensuring that prices charged to members for clothing and photograph orders are reasonable, but also enable the Boat Club to make a profit.

3.10d

It is suggested that the Treasurer maintains two accounts: one current account and one reserve account.

The reserve account should be used to accrue funds for potential major purchases. The reserve account should have both the Treasurer and President as joint signatories. Expenditure from the reserve account should only be made after consultation with the entire Committee. The Treasurer should ensure that a reasonable amount of money is added to the reserve account each term, while a sufficient amount is left in the current account to cover operating expenditure. Records of expenditure from the reserve account should be very detailed and indicate exactly why such expenditure has been made.

The current account may be maintained with the Treasurer as the sole signatory. Records of transactions in the current account should be maintained as fully as possible, indicating reasons and quantities for each transaction, whether it be incoming or outgoing. Receipts and invoices for transactions in the current account should be filed and kept by the Treasurer for a minimum of three years.

3.10e

The Treasurer is responsible for reporting the financial situation of the Club to the Committee at each meeting and should ensure that the Captains are fully aware of the finances before the meeting of the Amalgamated Sports Clubs. The Treasurer should also provide a detailed year end report, before the end of Trinity term, to be filed by the Secretary after being countersigned by the President.

3.11

*Senior Coxswain*

3.11a
The Senior Coxswain is responsible for the training of coxes as well as the maintenance of coxing equipment.

3.11b The Senior Coxswain shall also co-ordinate the recruitment and organisation of novice rowers for entry into Christ Church Regatta. The Senior Coxswain may co-opt the vice captains to assist.

3.11c The Senior Coxswain should ensure that all coxes are registered with OURCs and attend the required meetings, as well as ensuring that registered coxes are kept up to date with relevant rule changes.

3.11d The Senior Coxswain should also ensure that the 1st VIIIIs have access to Senior status coxes for use during yellow flag river conditions, and that coxes at Queen’s are helped to achieve the necessary expertise and experience to achieve this status.

3.11e The Senior Coxswain should also encourage coaches to remember to coach coxes as well as rowers, to ensure that they are an integral part of the crews.

3.11f The Senior Coxswain should work with the President, Captains and Water Safety Advisor to ensure that all coxes, and especially novice coxes, are aware of relevant rules and operating procedures.

3.11g The Senior Coxswain is responsible for periodic checking of Club lifejackets, to ensure their effective and reliable operation.

3.12

The Senior Member

3.12a The Senior Member shall be responsible for the long term interests of the Club and for representing the interests of the Club to the Governing Body of College, and for informing the Committee of decisions by the Governing Body affecting the functioning of the Club.
The Senior Member will appoint a Safety Advisor for the Club, who will have relevant expertise.

4. Terms of Office

4.1
The Senior Member shall be appointed by the Senior Treasurer of the Amalgamated Sports Clubs who represents the Governing Body of College. The Safety Advisor shall be appointed by the Senior Member.

4.2
With the exception of the Senior Member and the Safety Advisor, the term of Officers shall be one year. The term of office shall start at the Club’s annual dinner usually held in sixth week of Trinity term. Officers shall be eligible for nomination for any post in following years.

4.3
Officers may resign at any stage in their period of office by tendering a letter of resignation to the President, or in the case of the President to the Senior Member. The committee shall appoint a replacement for the remainder of the period of office.

4.4
Any officer rusticated, sent down or uncontactable for the majority of a term shall be deemed to have resigned.

5. Election of Officers

5.1
Any Ordinary Member may stand for election to any committee post. Any candidate’s nomination must be seconded by at least one other Ordinary Member. Candidates for the position of President must have served as a member of the committee for an academic year. Any Ordinary Member may nominate or second any other Ordinary Member of the club who decides to stand for election to any of the Committee posts, with the exception of those standing for the post of President who should have served as a member of the boat club committee for an academic year. In
exceptional circumstances, a candidate for President who does not fulfil this criterion may be approved by a majority of current committee members.

5.2 (i) Any contested position shall be voted on between Sunday 1st Week and Sunday 2nd Week in Trinity Term. The exact date of this election shall be chosen by the current committee and communicated to all eligible members both one week and one day before its occurrence.

(ii) The Returning Officers of the election shall be the current President and Secretary (or, if either officer is running for a contested position, then another ordinary member approved by the current committee shall replace him/her).

(iii) Voting shall be open to all ordinary members between 8am and 8pm on polling day. The votes shall be cast and counted by method of the ‘single transferable vote’ system, whereby the voter’s preference is transferred in the event of all preceding preferences having been eliminated by way of being last in the respective rounds of voting.

(iv) Voting may be conducted online, via an impartial election website, or on paper, at the committee’s discretion. In the event of it being held on paper, Ordinary Members may vote by proxy if they contact the Returning Officers 24 hours in advance of the poll opening, with the name of their proxy.

(iv) A person may run for more than one position. In the event of one person winning more than one position, one position must be accepted by the nominee and the other is to be either reopened or given to the person who came second, depending on if the position was contested.

(v) For all executive posts canvassing shall be allowed subject to the following provisions: (a) it shall be done at the expense of the candidate; (b) that posters and other literature are placed without contravening any College authorities; (c) that canvassing does not contravene any other sections of this constitution; (d) that no reference is made to any other candidate on any campaign material; (e) that canvassing shall not take place on any social networking website.

(vi) Nominations for elected positions must open at least three weeks in advance of the election, and will close at midnight two days before. In the event of one or more positions having no nominations, the nomination period for these positions will remain open for a further 48 hours. This process will continue until a nomination is received. Elections for other positions will go ahead as planned.
6. Removal of Officers

6.1
In cases where it is considered that an Officer of the Club is not adequately performing their duties, the Committee should vote as to whether the Officer should retain their post. A simple majority will decide whether the Officer should continue. The President shall have the casting vote, or in the case that it is the President about whom the vote of confidence is being held, the elder of the two captains, shall have any necessary casting vote.

6.2
The Officer shall have the right to be presented with any evidence presented against his/herself at least 24 hours in advance of the meeting. He/she shall have the right to present to the committee and respond to points made, but shall not be present for the vote.

6.3
In the event of the motion of confidence not being carried then the said officer shall be deemed to have resigned, and shall be replaced by the Committee, without the need for ratification by the general membership of the Club.

7. Awarding of Blades and 1st VIII Colours

7.1
Blades may be awarded for Torpids and Eights to any Head Crew and to any crew that, on each of the four days, gains at least one bump and is not bumped.

7.2
Blades may also be awarded to any crew which the committee feels deserves blades for the winning of an important competition, such as a Novice Crew winning Christ Church Regatta, a Senior crew winning Autumn Fours, or a 1st VIII winning a Senior division of an exceptional external race. ‘Exceptional’ might mean that it has had at least fifteen entries in the appropriate division, or that it is widely regarded as being a high quality event, such as Wallingford or Marlow Regattas.

7.3a
Boat Club colours may be awarded by the President to any crew member who competes on four occasions in any of the following:
- first College eight in Torpids (cancelled races do not count);
- first College eight in Eights (cancelled races do not count);
- College crew in Henley Royal Regatta (not the qualifying races);
- College crew in Henley Women’s Regatta (not the qualifying races);

A rower who has competed in one first Torpid, two first eights, and Isis, would therefore be eligible for Boat Club colours. Colours may be presented in the form of a tie for men, or a navy pashmina for ladies, at the Club’s annual dinner.

### 7.3b
First Eight colours may be awarded by the President to any crew member who competes on all days of racing for one of the following occasions:
- first college eight in Torpids (cancelled races at the discretion of the committee)
- first college eight in Eights (cancelled races at the discretion of the committee)

In exceptional circumstances the committee will vote on the matter. ‘Exceptional’ might mean a member who has shown longstanding dedication to the first college eight but has not been selected to race in either the first torpid or the first eight. First Eight colours may be presented in the form of a tie for men and a cream pashmina for ladies.

### 7.4
In the case of dispute regarding eligibility for a blade or colours, the whole Committee will vote on the matter; in the case of a majority of at least two thirds not being reached, the Senior Member will adjudicate on the matter.

### 8. Equal Opportunities Policy
The Club will ensure that the talents and resources of all members are utilised to the full and that no member receives less favourable treatment on the grounds of gender, disability, marital status, creed, social class, ethnicity, age or sexual orientation or is disadvantaged by conditions or requirements which cannot be shown to be relevant to performance.
9. Compliance with College Regulation

9.1 The Club shall be administered in accordance with the College’s Regulations.

9.2 The activities of the Club will at all times be conducted in accordance with the College procedures, codes of practice and policies in force, including, but not limited to equality, harassment, freedom of speech and safeguarding.

9.3 The Club shall register with The Decanal Team at the beginning of each academic year.

9.4 The Club shall be supported by a member of The Queen’s College SCR. The supporting SCR member (‘Senior Member’) is Dr C.M.Edwards. When electing other members of the Committee each year, the members of the Club shall also appoint a member of the SCR as the supporting SCR member, and they will then be a member of the Committee ex officio.

10. The Constitution

10.1 Changes to the Constitution may be proposed and debated at any Committee meeting, but a two-thirds majority of the entire Committee is needed to ratify the change. No change may be approved without the entire membership of the Committee having had an opportunity to vote, either in person or proxy.

10.2 The President shall have the power to adjudicate in all matters regarding the interpretation of the Constitution of the Club.

11. Safety

11.1 Safety of Club members and third parties is a priority at all times.

11.2
It is accepted that any activity on water incorporates an element of risk. However, the Committee of the Boat Club, its coaches, and others, have a duty of care to all involved with rowing in the Boat Club to manage these risks whenever possible.

11.3
The President and Men’s and Women’s Captains shall specify and implement risk management protocols relating to significant risks, including general rowing, rowing coxless boats, rowing in inclement weather, transport of boats, travel to regattas, travel to Abingdon and other training venues, rowing in high stream, and use of the coaching launch. These protocols aim to reduce risks to a minimum, whilst allowing the efficient and effective running of the Club. The recommendations of the BR and OURCs are necessary but not necessarily sufficient with regard to these matters.

11.4
All Officers of the Club and agents of the Club (such as external coaches) are responsible for ensuring that they are aware of the above protocols and that they are implemented.

11.5
Any Member of the Club who disregards the Club’s safety procedures may be barred by the President or Captains from taking part in any Club activities. If the member wishes to appeal against this decision, the appeal may first be heard by the whole Committee. In the case of a majority opinion of at least two thirds not being reached, the Senior Member will adjudicate on the matter.

11.6
The Council of Oxford University Rowing (COUR) is the University sanctioned executive authority for the overseeing of all safety matters concerning rowing within the University. All safety issues on which COUR makes a ruling shall be binding on members of The Queen’s College Boat Club.

History of the Society

The Queen’s College, Oxford University first admitted women as undergraduates in 1979. It was named after Queen Philippa, wife of King Edward III, the reigning monarch at the time of the college’s foundation in 1341.

Reginae was founded in 1993 as a counterpoint to the male dining society in Queen's, Eaglets. This was a fine moment for Queen's women, and to this day, Reginae has stood independently of Eaglets. Its initial aim was to create an all-female network and this tradition extends to the present day. The Society adopted the college's motto: Reginae erunt nutrices tuae, (Queens shall be thy nurturers) to represent this idea of mentoring, an idea that goes hand in hand with the college tradition.

Aim of the Society

Reginae is a long-standing community of 25 years of Queen’s women whose aim is to foster friendships and share wisdom across the years between members of Queen's past and present. Through these relationships, we hope that women in different stages of their lives can offer support and advice to one another on the opportunities and the challenges which confront women in the world beyond university.

Benefits of the Society

As outlined above, the main benefits of the society lie in what its members, past and present, have to offer. These are summarised below:
- Exposure to a rich and diverse network of women from different backgrounds, age groups and career paths
- Through such an exposure, young women at Queen’s can benefit from a large and informal support network
- Women can also benefit from this network for future career help or to gain insights from members who have since left Queen’s
