

## GRADUATE COURSE LIST

DPhil in English Local History (Part-time)  
Master of Public Policy (MPP)  
DPhil in Biochemistry  
MSc by Research in Biochemistry  
DPhil in Economics  
MPhil in Economics  
MSc in Education (Comparative and International Education)  
MSc in Education (Higher Education)  
MSc in Education (Learning and Technology)  
MSc in Education (Child Development and Education)  
MSc in Education (Research Training)  
MSc Education (Research Design and Methodology) PT  
DPhil in Engineering Science  
MSc by Research in Engineering Science  
DPhil in Engineering Science - Research Studentship in Deep Learning for Medical Imaging  
DPhil in Engineering Science - Research Studentship in Hydrogen Embrittlement of Austenitic Stainless Steels  
DPhil in Engineering Science - 3D Computational Modelling of Subsea Pipeline-Soil Interaction  
DPhil in Experimental Psychology  
MSc by Research in Experimental Psychology  
MSc in Psychological Research  
4 Year ESRC Funded PhD (DPhil) in Experimental Psychology (1+3)  
DPhil in Experimental Psychology - ERC funded studentship  
MSc in Global Governance and Diplomacy  
DPhil in Materials  
MSc by Research in Materials  
DPhil in Materials - Flash Sintering of Non-Oxide Ceramics for Armour Studentship  
DPhil in Materials - Putting spins into carbon nanostructures Studentship  
DPhil in Materials - Defect engineering in diamond for magnetic field imaging and gradiometry Studentship  
DPhil in Materials - The Effect of Microstructure on Strength and Fracture Resistance of Nuclear Graphite Studentship  
DPhil in Oncology  
MSc by Research in Oncology  
DPhil in Paediatrics  
DPhil in Pharmacology  
MSc by Research in Pharmacology  
MSc in Pharmacology  
DPhil in Physiology, Anatomy and Genetics  
MSc by Research in Physiology, Anatomy and Genetics  
DPhil in Plant Sciences  
DPhil in Politics  
MSc in Political Theory Research  
MSc in Politics Research

MPhil in Politics: European Politics and Society  
MPhil in Politics: Political Theory  
MPhil in Politics: Comparative Government  
MPhil in International Relations  
DPhil in Psychiatry  
MSc by Research in Psychiatry  
DPhil in Sociology - Family Size Matters studentship  
DPhil in Sociology - Sociogenome studentship  
DPhil in Statistics  
MSc by Research in Statistics  
Postgraduate Diploma in Statistical Science  
Master of Science in Statistical Science  
DPhil in Zoology  
DPhil in Ion Channels and Disease  
DPhil in Biomedical and Clinical Sciences  
DPhil in Chromosome and Developmental Biology  
DPhil in Cardiovascular Science (BHF)  
DPhil in Genomic Medicine and Statistics  
DPhil in Structural Biology  
DPhil in Infection, Immunology and Translational Medicine  
Interdisciplinary Bioscience (BBSRC DTP)  
Systems Approaches to Biomedical Science (EPSRC & MRC CDT)  
Systems Biology (EPSRC CDT)  
Synthetic Biology - (EPSRC & BBSRC Centre for Doctoral Training)  
Biomedical Imaging (EPSRC & MRC CDT) - Industrial Project Studentship  
DPhil in English (all subjects)  
MPhil in English Studies (Medieval Period)  
MSt in English (English and American Studies)  
MSt in English (650 - 1550)  
MSt in English (1900 - Present Day)  
MSt in English (1550 - 1700)  
MSt in English (1700-1830)  
MSt in English (1830-1914)  
MSt in English Language  
MSt in World Literatures in English  
DPhil in History of Art  
DPhil in History (History of Science and Medicine and Economic and Social History)  
DPhil History (HSM and ESH) (Part-time)  
DPhil in History  
DPhil History (Part-time)  
MPhil in British and European History 1500-present  
MPhil in Late Antique and Byzantine Studies  
MSt in British and European History 1500-present (Full-time)  
MSt in US History  
MSt in Late Antique and Byzantine Studies  
MSt in Medieval Studies

MSt in Medieval History  
MSt in Modern South Asian Studies  
DPhil in History - AHRC Collaborative Doctoral Studentship  
DPhil in Law  
DPhil in Socio-Legal Studies  
Doctor of Philosophy in Socio-Legal Studies (Part-time)  
MPhil in Law  
MSt in Legal Research  
BCL (Bachelor of Civil Law)  
MJur (Magister Juris)  
MSc in Law and Finance  
DPhil in Socio-Legal Studies - Impact of new EU data protection regulations studentship  
DPhil in Socio-Legal Studies - Use and governance of data for research studentship  
DPhil in Medieval and Modern Languages (Full-time)  
MPhil in Modern Languages  
MSt in Modern Languages  
DPhil in Music (Full-time)  
DPhil in Music (Part-time)  
MPhil in Music (Musicology)  
MPhil in Music (Composition)  
MPhil in Music (Performance)  
MSt in Music (Musicology)  
MSt in Music (Composition)  
MSt in Music (Performance)  
DPhil in Oriental Studies  
MPhil in Buddhist Studies  
MPhil in Modern Middle Eastern Studies  
MPhil in Tibetan and Himalayan Studies  
MPhil in Traditional East Asia  
MPhil in Cuneiform Studies  
MPhil in Egyptology  
MPhil in Modern Chinese Studies  
MSt in Oriental Studies  
MSt in Chinese Studies  
Master of Studies in Traditional China  
MSt in Classical Armenian Studies  
MSt in Japanese Studies  
MSt in Jewish Studies  
MSt in Korean Studies  
DPhil in Philosophy  
BPhil in Philosophy  
MSt in Ancient Philosophy  
DPhil in Radiobiology  
4-Year Doctoral Programme in Radiobiology  
Partial Differential Equations: Analysis and Applications (EPSRC CDT)  
DPhil in Mathematics

MSc by Research in Mathematics  
MSc in Mathematics and Foundations of Computer Science  
MSc Mathematical & Theoretical Physics  
Environmental Research (NERC DTP)  
DPhil in Biomedical Sciences : NIH-Oxford  
DPhil in Clinical Medicine  
DPhil in Clinical Neurosciences  
MSc by Research in Clinical Neurosciences  
DPhil in Obstetrics and Gynaecology  
MSc by Research in Obstetrics and Gynaecology  
DPhil in Musculoskeletal Sciences  
MSc by Research in Musculoskeletal Sciences  
DPhil in Surgical Sciences  
MSc by Research in Surgical Sciences  
MSc in Social Science of the Internet (1+1)  
Wellcome Trust 4-year Neuroscience Doctoral Programme  
MSc in Neuroscience  
Wellcome Trust Doctoral Training Programme in Neuroscience  
DPhil in Medical Sciences  
DPhil in Fine Art (Full-time)  
Master of Fine Art (Full-time)  
DPhil in Management Studies  
MBA (Master of Business Administration)  
EMBA (Executive Master of Business Administration) (Part-time)  
EMBA (Executive Master of Business Administration) (Part-time)  
MSc in Financial Economics  
MLitt in Management Studies  
DPhil in Archaeology  
Master of Philosophy in Biodiversity, Conservation and Management  
Master of Philosophy in Nature, Society and Environmental Governance  
Master of Philosophy in Environmental Change and Management  
Master of Philosophy in Water Science, Policy and Management  
MSc Contemporary Chinese Studies  
Master of Science in Contemporary Chinese Studies  
Master of Science in Modern South Asian Studies  
MSc in Modern Japanese Studies  
Master of Science in Japanese Studies  
MPhil in Modern Japanese Studies  
Master of Philosophy in Japanese Studies  
Master of Philosophy in Modern Chinese Studies  
Doctor of Philosophy in Area Studies (Middle East)  
Doctor of Philosophy in Area Studies (Russia and East Europe)  
Doctor of Philosophy in Area Studies (Latin America)  
Doctor of Philosophy in Area Studies (Africa)  
Doctor of Philosophy in Area Studies (South Asia)  
Doctor of Philosophy in Area Studies (Japan)

Doctor of Philosophy in Area Studies (China)  
DPhil in Pathology  
Doctor of Philosophy in Molecular Cell Biology in Health and Disease  
DPhil in Astrophysics  
DPhil Atmospheric Physics - NERC CASE studentship (Climate Processes Group)  
DPhil Atmospheric Physics - NERC studentship  
DPhil Atmospheric Physics - STFC ExoMars/ACS studentship  
DPhil in Chemical Biology  
MSc by Research in Chemical Biology  
DPhil in Condensed Matter Physics  
DPhil in Inorganic Chemistry  
MSc by Research in Inorganic Chemistry  
Synthesis for Biology and Medicine (EPSRC CDT)  
DPhil in Cardiovascular Medicinal Chemistry  
DPhil in Organic Chemistry  
MSc by Research in Organic Chemistry  
DPhil in Particle Physics  
DPhil in Physical and Theoretical Chemistry  
DPhil in Theoretical Physics  
MSc by Research in Physical and Theoretical Chemistry  
Theory and Modelling in Chemical Sciences (EPSRC CDT)  
Master of Science in Theoretical and Computational Chemistry (Stand Alone)  
Master of Science in Theoretical and Computational Chemistry (EPSRC CDT)  
DPhil in Ancient History (Full-time)  
MPhil in Greek and/or Roman History  
MSt in Greek and/or Roman History  
DPhil in Classical Languages and Literature (Full-time)  
MPhil in Greek and/or Latin Languages and Literature  
MSt in Greek and/or Latin Languages and Literature
