Introductory reading list

Below are some suggestions for further books on legal skills. This is not a compulsory reading list, and these books cover much of the same ground as Glanville Williams' *Learning the Law* (see 'Law first year vacation work 2019'). Rather, see them as a potential source of information. You may find it useful to continue to refer to these books during your law degree.

- Bradney and others, *How to Study Law*, 8th edition (Sweet and Maxwell 2017)
- Finch and Fafinski, *Legal Skills*, 7th edition (Oxford University Press 2019)
- Fox and Bell, *Learning Legal Skills*, 3rd edition (Blackstone 1999)
- Strong, *How to Write Law Essays and Exams*, 5th edition (Oxford University Press 2018)

For an introduction to English legal history you could look at:

- F. W. Maitland & F. C. Montague, *A Sketch of English Legal History* (Lawbook Exchange 2010, first published 1915), especially chapters 4-8.
