Email decanal.team@queens.ox.ac.uk to arrange a meeting.

- **The Dean**
  - Chris O’Callaghan

- **The Chaplain**
  - Katherine Price

**Others**

- Contact the decanal team or you MCR/JCR reps for information on the many other resources (charities, societies, support groups) available at Oxford

**Comprehensive.** The range of options both at Queen’s and externally means you can easily access welfare appropriate to your needs. From an informal chat with your peers to discussions with senior college figures and professional healthcare, all can be quickly arranged.

**Confidential.** Welfare is confidential. In rare circumstances a welfare figure may need to alert others if they feel that someone is in danger, but Queen’s welfare strives to be discreet, sympathetic, non-judgemental, and confidential.

**Contraception.** The JCR Women’s Officer can reimburse expenses for barrier contraception and the morning-after pill (also free from your doctor and the Sexual Health Clinic, Churchill Hospital)
